My Dear Mr. Rowland: Metro Pictures Corporation.

Metro Pictures Corporation.

I came away so thrilled and moved by THE FOUR HORSEMEN OF THE APOCALYPSE that I had the same feeling I experienced the first and only time I saw Sarah Bernhardt. I didn't want to go home, but to walk miles and miles under the spell of what I had seen. I may seem a bit superlative in my appreciation of this film but to me it amounts to a climax in the entire history of the screen. Last night marked a birthday! The eighth muse had come of age. Mr. Ingram, Miss Mathis, Mr. Ibanez, every one in fact connected with the masterpiece, is to be congratulated to weave that enormous story into a tapestry the size of a motion picture screen, and at the same time to keep its integrity of form, purpose and beauty is artistry raised to the nth power.

I'm a rather querulous picture goer, not half satisfied

I'm a rather querulous picture goer, not half satisfied with conditions, but seeing the "Four Horsemen" has renewed my faith in the enormous potentialities of the screen. Sincerely yours,
